

User guide for applying online for Approval of Energisation of Electrical Installations

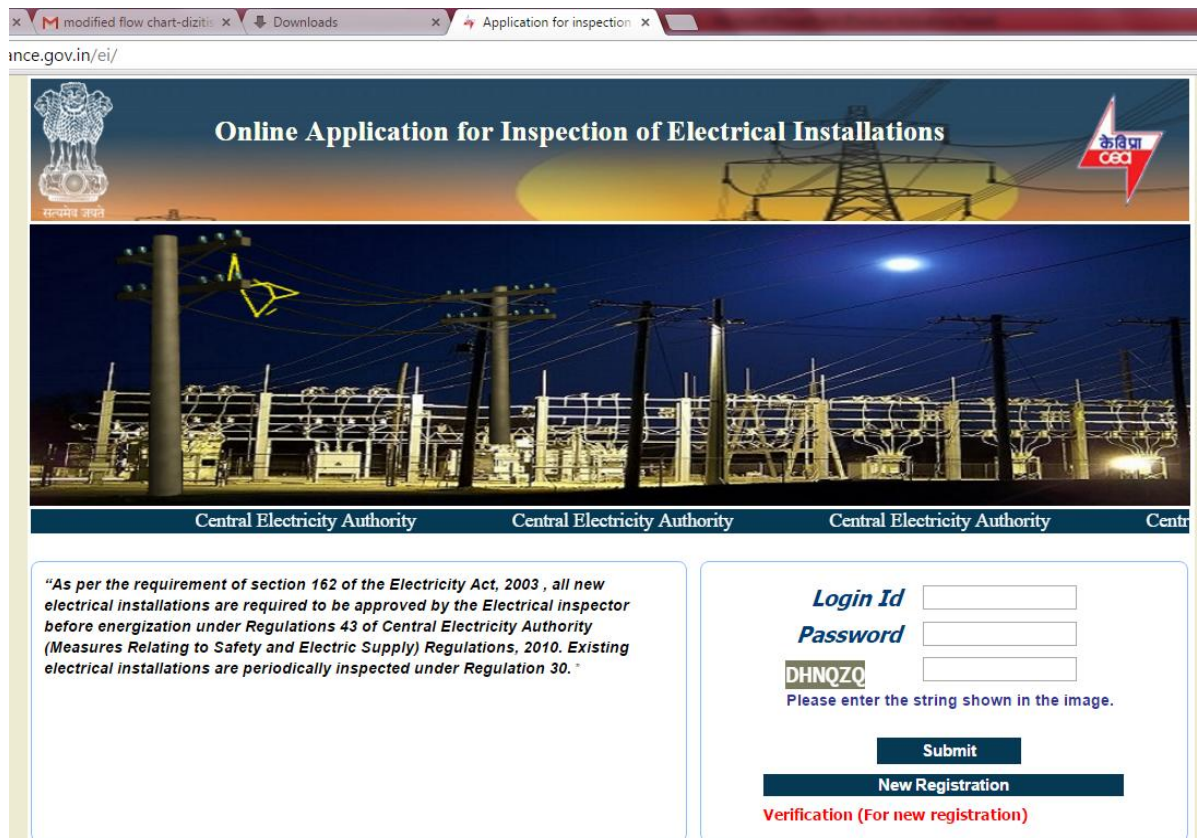

The following are the steps to file online application:

1. Log on to URL <http://ceaclearance.gov.in>
2. Click on the link “Online Application for Inspection of Electrical Installations”

The screenshot shows the homepage of the Central Electricity Authority (CEA) website. At the top, there is a navigation bar with the text "Central Electricity Authority" and "ceaclearance.gov.in". Below this is a banner featuring the Government of India logo and the text "GOVERNMENT OF INDIA MINISTRY OF POWER". The banner also includes the CEA logo and a photograph of an electrical substation. Below the banner, there is a blue bar with the text "by CEA (Click the Below links . .)". Underneath, there are three blue buttons with white text and arrows pointing right, each labeled "Click Here" followed by a link description:

- Click Here → Online Application for Inspection of Electrical Installations
- Click Here → DPR Approval Process Monitoring System for Hydro Projects
- Click Here → Online Application for prior approval of Government Under Section 68 of EA, 2003

The screenshot shows the "Online Application for Inspection of Electrical Installations" page. At the top, there is a navigation bar with the text "Application for inspection" and "ceaclearance.gov.in/ei/". Below this is a banner featuring the Government of India logo and the text "Online Application for Inspection of Electrical Installations". The banner also includes the CEA logo and a photograph of an electrical substation at night. Below the banner, there is a blue bar with the text "Central Electricity Authority" repeated four times. Underneath, there is a white box with a blue border containing the following text:

"As per the requirement of section 162 of the Electricity Act, 2003 , all new electrical installations are required to be approved by the Electrical inspector before energization under Regulations 43 of Central Electricity Authority (Measures Relating to Safety and Electric Supply) Regulations, 2010. Existing electrical installations are periodically inspected under Regulation 30. "

To the right of this box is a registration form with the following fields:

- Login Id
- Password
- DHNQZQ**

Below the fields, there is a blue button labeled "Submit". Underneath the "Submit" button, there is a blue bar with the text "New Registration" and a red link labeled "Verification (For new registration)".
